

Food Balance Sheets(FBS)

Involvement of FAO Statistics Division
(ESS) in the Food Security and SDGs
Framework

Food and Agriculture Organization
of the United Nations

Outline

1. Key activities carried out by ESS
2. The contribution of the FBS to the SDGs

Key activities carried out by ESS

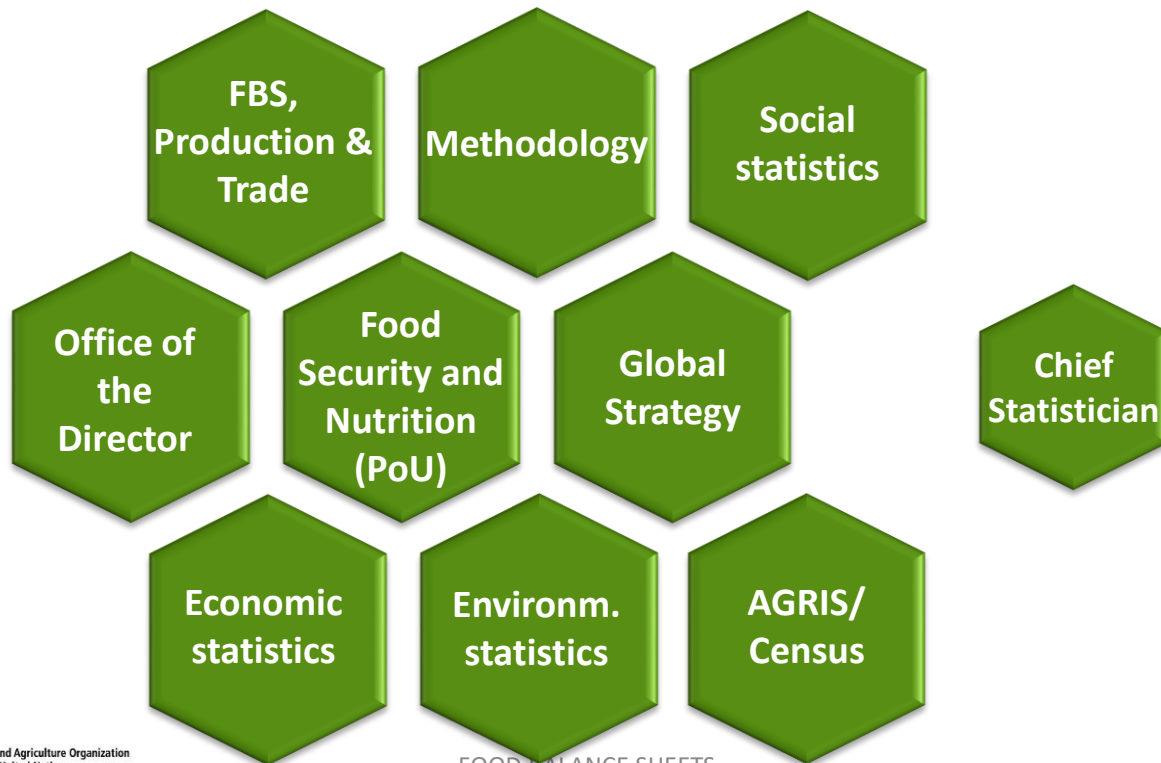

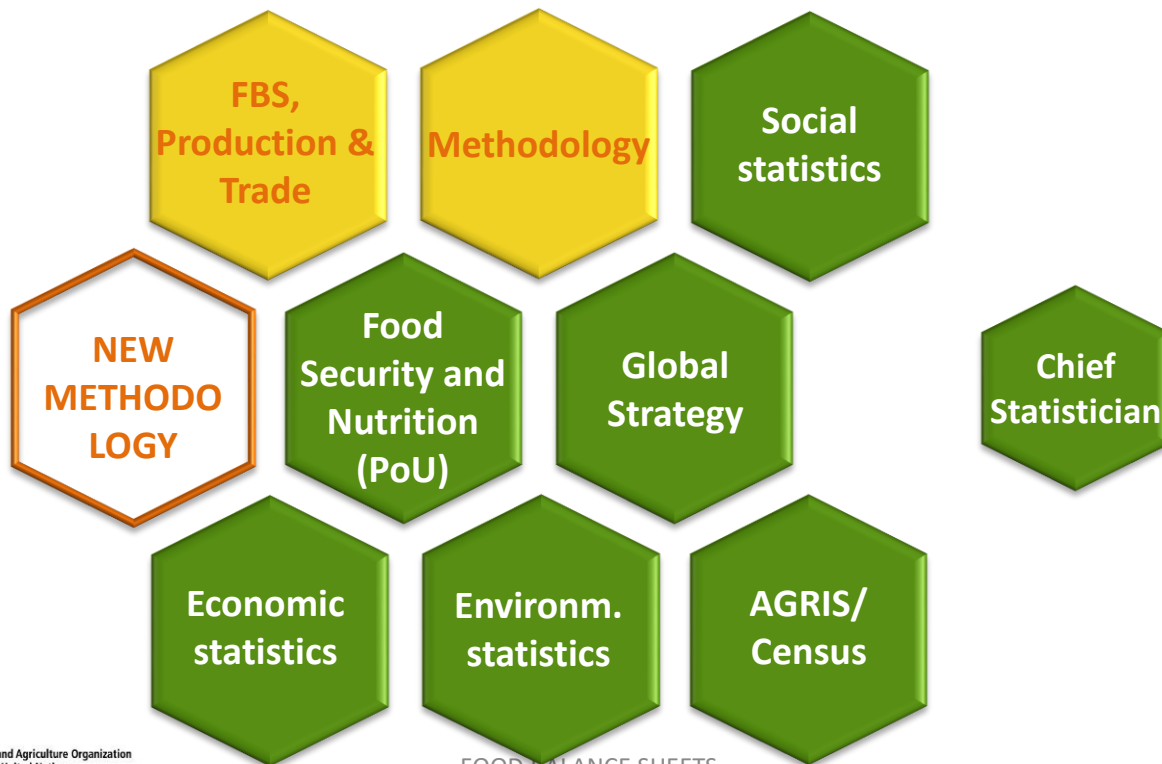

1. Key activities carried out by ESS

- 1. Data collection, processing and dissemination**
Provide free and easy access to harmonized, reliable, timely and policy-relevant data and information products, and advocate their use for evidence-based decision making
- 2. Monitoring and analysis**
Monitoring and analysis of data and the development of indicators
- 3. Norms and standards**
Develop, implement and promote international statistical standards, methodological guidelines and tools in collecting, analysing and disseminating data
- 4. Capacity development**
Work directly with countries to develop national statistical strategies, strengthen institutional and technical capacities and improve statistical systems

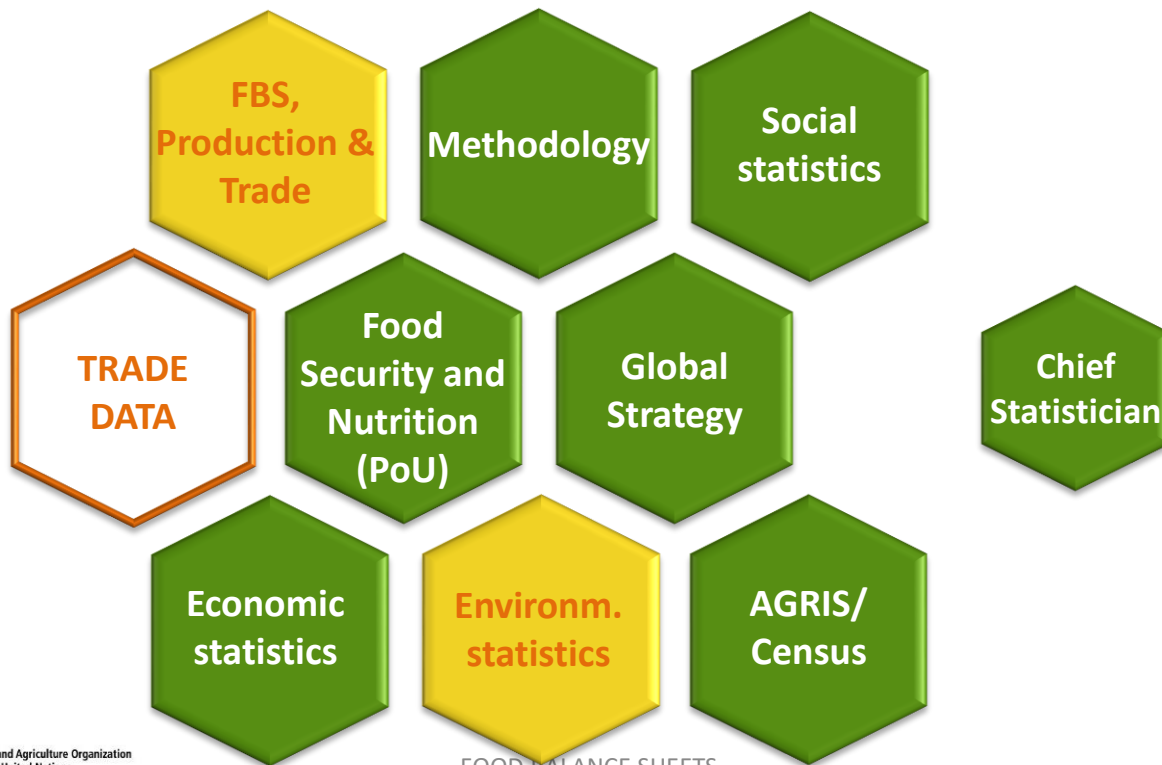

1. Key activities carried out by ESS

1. Key activities carried out by ESS

1. Key activities carried out by ESS

The contribution of the FBS to the SDGs
